

The road to Vacation Bible School Starts Now!

AN OPEN CALL TO ALL INVENTERS.

We are all created by God and built for a purpose. That creation and its purpose is the heart of this years Vacation Bible School.

Vacation Bible School this year will be held from July 31st to August 4th at 5 pm to 8 pm. It is open to children three years old to those students entering the 6th grade in September.

Children who join us will be in for a fun week of exploring, creating, and meeting new friends. They will build a stronger understanding of God’s intentions through games, videos, experiments, songs and skits.

This year’s program will be very different from previous years in that it incorporates science and discovery. Gone are crafts that get lost on the way home or fill a draw. Children will complete experiments that they will want to demonstrate for you.

VBS can not be successful without all those who volunteer their time. Those interested in helping, especially teenager who need service time, please contact our C.E director, Patrick Lewis at plewis@ctfarms.org or call the church at 908.688.3164.

SPRING MELTS CHOCOLATE BUT NOT EASTER SPIRIT

On Easter morning, the families of Connecticut Farms gathered in celebration of Jesus’ resurrection. Two services were held that returned to us many familiar faces. Between the two services was the annual Easter Egg Hunt, organized by Christian Education.

Children gathered at the cemetery gate eagerly awaiting the prizes left behind by our Easter Bunnies. Once they were allowed into the Manse’s yard, they ran with all of their might to catch as many plastic eggs they could find.

Each egg was filled with various treats ranging from candy to plastic cameras. The eggs were stuffed by our many volunteers during Palm Sunday.

All of the participating children were exceedingly happy with their discoveries. The only people happier that day were those who attended sunrise service to discover that the Easter Bunny left them a “Box of Joe,” instead of their normal Instant Coffee.

Exceptionally warm day did make for some messy hands. It was a small price to pay for such a beautiful day.
